Admission Record for George W. Larimer from 1875 Livingston County Poor Farm Register Book

Book Location

Old large 1875 Register Book is in the Archive Collection of the Livingston County Historical Society and is Inventory Item #297 stored on Rack #3.

Book is very large and difficult to scan the whole book.

Because George W. Larimer was admitted 3 times to the Poor Farm, it was easier just to transcribe his information versus taking many different digital camera photos.

Transcription from the Register Book
